

Launch of new CCAMLR website on 13 July 2012

TO ALL MEMBERS OF THE COMMISSION AND THE SCIENTIFIC COMMITTEE

The CCAMLR Secretariat is pleased to announce that the new CCAMLR website will be launched on Friday 13 July 2012. The website is in CCAMLR's four official languages: English, French, Russian and Spanish.

In order to access 'Members only' sections, Members need to designate an administrator for both the Commission and the Scientific Committee pages, or one for each. Unless the Secretariat is advised otherwise (to ccamlr@ccamlr.org), designated administrators will be a Member's Commissioner and/or Scientific Committee Representative.

As from Friday 13 July 2012, the Secretariat will begin sending the Members' designated administrator(s) an email with a link to the new website allowing them to choose their password. The administrators will then be able to provide colleagues within their delegation access to the new website.

The Secretariat has endeavoured to provide access to all information on the previous website. However, certain historical content has not yet been transferred and will be added after the launch date. Ongoing access to the old website will continue to be possible using <http://archive.ccamlr.org>.

Please do not hesitate to provide feedback as the website will be updated and adjusted continuously to accommodate its users.
