Notifications for New and Exploratory Fisheries in 2005/06

Eleven Members submitted notifications for exploratory fisheries in 2005/06 by the deadline. One Member (South Africa) submitted a notification after the deadline. In addition, notifications for exploratory fisheries were received from the Cook Islands. Those notifications were submitted by the deadline and the Cook Islands Government has advised that it will not license any vessel to fish in the CCAMLR Convention Area until such time as an instrument of accession to the Convention has been deposited in the prescribed manner.

The notifications are for exploratory longline fisheries for *Dissostichus* spp. in Subarea 48.6, Divisions 58.4.1, 58.4.2, 58.4.3a and 58.4.3b, and Subareas 88.1 and 88.2 (summary attached). No notifications were received for new fisheries.

Members are reminded that the deadline for notification payments is 24 August 2005. Please notify the Secretariat as soon as a payment is made.

Paid notifications will be placed, in their original language, on the 'Members Only' section of the CCAMLR website by 31 August 2005. These notifications will be submitted to the Commission as CCAMLR-XXIV documents.
