ICES Theme Session 'Role of Sea Ice for Polar Ecosystems'

In response to COMM CIRC 06/120 and SC CIRC 06/44, no Members have indicated opposition to CCAMLR co-sponsoring the above. A letter will therefore be written to Dr Adi Kellerman at ICES to indicate that CCAMLR accepts that organisation's invitation to be a co-sponsor of the above session on the condition that there are no future financial implications.
