**2008 Annual Commission and Scientific Committee Meetings –
Notification of Participation and Visa Requirements**

Members are reminded that notification of their meeting representatives, alternate representatives and advisers should be received from their nominated official contact as far as possible in advance of the meeting. The absence of such notification may result in non-admittance to the meetings.

Members are also reminded of the visa requirements for participants at the annual CCAMLR meetings in Hobart (COMM CIRC 08/81–SC CIRC 08/35). The instructions are available on the Commission and Scientific Committee 'Members Only' webpages of the CCAMLR website. Members are urged to ensure that their nominated representatives apply for the necessary visas well before the meeting, at the latest two (2) months prior to the representative's intended date of departure.

Please note that submission of the *Personal Information Form for Nominated CCAMLR Representatives* for visa application purposes does not constitute official notification of participation in the meetings. The Secretariat is only in a position to assist with visa applications, if necessary, once this information is received.
