Presentation of Performance Review Panel Report

The Secretariat has been informally approached by the CCAMLR Performance Review Panel to seek clarity on whether Members may wish for the Panel's Report to be formally presented to the Commission.

Annex 7, paragraph 10 of CCAMLR-XXVI remains silent on this issue, but does indicate that the Report should be discussed by SCAF, SCIC and the Scientific Committee before it is considered by the Commission. To achieve this would require that the Report be presented at the opening session of the Commission on 27 October 2008. This would require modification of the Provisional Agenda.

Members' views are urgently sought on the above before 10 October 2008, and Members are asked to indicate whether they:

- (i) have any objection to the Performance Review Panel Report being formally presented by a representative of the Panel;
- (ii) object to this presentation being made at the opening session of the Commission on 27 October 2008;
- (iii) object to the Provisional Agenda being changed accordingly.

Executive Secretary
