Hosting of Working Group Meetings of the Scientific Committee

Members will be aware that the Commission has strongly endorsed the practice of Members hosting the meetings of the Working Groups of the Scientific Committee as a means to expose a wider audience to the work of CCAMLR and to build capacity in Member countries. In previous years a Member(s) have indicated, prior to the meeting of the Scientific Committee, a willingness to host the Working Group meetings, typically held in the period June-August, in the following year.

Currently the Secretariat has received no offer from a Member(s) to host the meetings of WG-EMM and WG-SAM in 2010.

Members who may be in a position to host these meetings next year and/or have any questions that might facilitate this process, are requested to contact the Executive Secretary at their earliest convenience.

Dr D.G.M. Miller
Executive Secretary
