**Confirmation of participation in research survey on BANZARE Bank
(Conservation Measure 41-07)**

Members were advised in COMM CIRC 09/124–SC CIRC 09/63 that Japan had confirmed its participation in the research survey on BANZARE Bank (Division 58.4.3b) in 2009/10 (Conservation Measure 41-07). In that circular, the Secretariat inadvertently advised that Japan had nominated to survey Sampling Sector SE. However, in accordance with paragraph 1(iii) of Annex 41-07/A, the chosen sampling sector can only be confirmed once the vessel has entered the fishery.

Further information on participating Members and sectors surveyed will be provided to Members when available.
