## **Nominations for the Martha T. Muse Prize 2011 are now open.**

The “Martha T. Muse Prize for Science and Policy in Antarctica” is a US\$ 100,000 unrestricted award presented to an individual in the fields of Antarctic science or policy that has demonstrated potential for sustained and significant contributions that will enhance the understanding and/or preservation of Antarctica. The Tinker Foundation’s goal is to establish a prestigious award that recognizes excellence in Antarctic research by honoring someone in the early to mid-stages of their career. The Prize is inspired by Martha T. Muse’s passion for Antarctica and is intended to be a legacy of the International Polar Year 2007-2008.

The prize-winner can be from any country and work in ANY field of Antarctic science or policy, including Climate change, Life Sciences, Geo Sciences, Physical Sciences, Antarctic Politics. The goal is to provide recognition of the important work being done by the individual and to call attention to the significance of understanding Antarctica in a time of change. The Prize is awarded by the Tinker Foundation and administered by the Scientific Committee on Antarctic Research (SCAR).

Please visit [www.museprize.org](http://www.museprize.org) for further details. Online nominations can be submitted at [www.museprize.org/nominations.html](http://www.museprize.org/nominations.html) and will close on **1st May 2011**.
