Dear Drew

I refer to my letter dated 3 February 2012 regarding the pre-recruit survey in CCAMLR Subarea 88.1 (circulated to Members under COMM CIRC 12/18).

I wish to inform you that the *San Aotea II* commenced the pre-recruit survey on Sunday 5 February. It is estimated that it will take approximately fourteen days to complete the survey, subject to weather and ice conditions.

I should be grateful if you would circulate this letter to CCAMLR Members for their information.

Yours sincerely

Carolyn Schwalger
New Zealand CCAMLR Commissioner
