## **Notification of Vessel Replacement in Krill Fishery**

TO ALL MEMBERS OF THE COMMISSION AND THE SCIENTIFIC COMMITTEE

In accordance with Conservation Measure 21-03, please see the accompanying correspondence from Korea advising that, due to a fire in its engine room, the vessel *Maestro* has been replaced by the *Adventure* in the krill fishery in Area 48.

Andrew Wright  
Executive Secretary

**Notification of Vessel Replacement in Krill Fishery**

In accordance with Conservation Measure 21-03, please see the accompanying correspondence from Korea advising that, due to a fire in its engine room, the vessel *Maestro* has been replaced by the *Adventure* in the krill fishery in Area 48.

Andrew Wright  
Executive Secretary

Attch.

Dear Mr. Andrew Wright,

Pursuant to CM 21-03, paragraph 5, I am writing to inform you on the replacement of a Korean-flagged vessel fishing for krill in 48.1, 48.2, 48.3.

As the Korean-flagged fishing vessel *Maestro* is unable to operate in the CCAMLR area due to the fire broke out in its engine room, another fishing vessel, *ADVENTURE*, which is under the control of the same operator as the *Maestro*, will replace it.

Please refer to the vessel details and other relevant information, attached file.

Best Regards,

**Sung-Su Lim**

Assistant Director
