Paid Notifications for New and Exploratory Fisheries in 2006/07

The deadline for notification payments for new and exploratory fisheries in 2006/07 was 23 August 2006. Members are advised that payments have been made in respect of all notifications (COMM CIRC 06/85 and SC CIRC 06/28). Members are also advised that one vessel was withdrawn from a notification, and the payment for another vessel listed in one notification was not received by the deadline; that vessel will be removed from the relevant notification.

Paid notifications (see attached summary) will be submitted to the Commission as CCAMLR-XXV documents and will be forwarded to the Scientific Committee and WG-FSA for their consideration (CCAMLR-XXIV, paragraph 3.12(v)).

The 'Members Only' section of the CCAMLR website will be revised accordingly early next week.
