CCAMLR Scheme of International Scientific Observation – Updated Logbooks and Cruise Report Format

In accordance with the decisions made at the 2007 meetings of the Scientific Committee and the Working Group on Fish Stock Assessment, the scientific observer logbooks and cruise report format have been updated and placed on the CCAMLR website (www.ccamlr.org/pu/e/sc/obs/logbooks.htm).

National technical coordinators of scientific observer programs should ensure that their observers receive these updated logbooks and cruise report format for use during the 2008 season.
