**ACAP Seabird Bycatch Working Group**

Members are advised that the CCAMLR Science Officer has been invited to provide expert advice on issues related to by-catch data collection to the ACAP Seabird Bycatch Working Group meeting in Hermanus, South Africa, on 17 and 18 August 2008.

There are no budgetary implications for CCAMLR as ACAP will fund the cost of airfares, accommodation and subsistence associated with the attendance of the CCAMLR Science Officer at the meeting.
