Online Registration for CCAMLR-XXVIII

Members are reminded that Online Registration for participants wishing to collect hard copies of meeting papers on arrival at the meeting venue will close on 2 October 2009. Participants who do not require hard copies of meeting papers may register online up until 16 October 2009. Members are urged to encourage their participants to register online in accordance with these deadlines.

Registration will be available at the meeting venue for those participants who have not done so online. Hard copies of meeting papers, if required, would not be immediately available, but would be provided subject to time constraints.

Further details on registration online and at the meeting venue are available in COMM CIRC 09/81–SC CIRC 09/37 and the Information Note.

Participants who experience difficulties with registering online should contact the Secretariat (registration@ccamlr.org).

Members are also reminded that online registration does not constitute official notification of attendance. Members are still required to notify the Secretariat in advance of the meeting, the names of their representatives, alternate representatives and advisers. A participant's online registration will not be processed unless official notification of his/her attendance has been received from the Member concerned. Members are again reminded that participants who register online are still required to submit a Personal Information Form if they require a visa to enter Australia.

Dr D.G.M. Miller
Executive Secretary
