Review of the Strategic Plan

As endorsed at CCAMLR-XXIX (paragraph 3.10), the CCAMLR Secretariat is commencing an internal review of the existing Strategic Plan that was initially developed in 2002. Members input to this review would be very much valued.

To assist with this exercise, a questionnaire has been prepared to provide one means for key stakeholders to comment on the function of, and the delivery of services by, the CCAMLR Secretariat (www.ccamlr.org/pu/E/Questionnaire/CCAMLRQuestionnaire.html).

The questionnaire has been designed to be completed in approximately 10 minutes. Responses would be appreciated by 19 February 2011.

Unfortunately, due to the current workload associated with outputs from the CCAMLR-XXIX meetings, it is only possible to produce an English version of this questionnaire. I apologise in advance to those for whom English is not their first language. Hopefully the radio button response mechanism will make completion of the questionnaire reasonably straightforward?

With thanks in advance for your contribution.

Executive Secretary
