SC-CAMLR-XXIX Report

Members are advised that a pre-release English version of the SC-CAMLR-XXIX Report has been posted on the '[Publications](#)' public domain webpage.

This version does not include the Report of the 2010 meeting of WG-FSA which is still undergoing checking and verification. In addition, minor editorial changes that may be identified during completion of translation into the Commission's three other official languages may be included in the final version. Approval should be sought from the CCAMLR Secretariat prior to referencing material included in this pre-release version.
