### **CCAMLR Website**

Members are advised that the CCAMLR website has been revised and the new version will be on line on 10 July 2002. Comments received from Members have been taken into account in the design of the new site.

The following points should be noted to ensure optimal use of the new site:

- Version 4 or later of web browsers (e.g. Internet Explorer or Netscape) should be used together with the Macromedia Flash plug-in for the browser.
- Version 5 or later of Acrobat reader should be used.
- The addresses for the new pages will be different; therefore existing bookmarks will not work.
- Password protected links are accessed via the 'Members Only' link in the drop-down menus.
- Usernames and passwords remain the same. These will be changed at a later date.
