Submission of Meeting Papers and Correspondence

Members are reminded that the deadline for submission of Working Papers to CCAMLR-XXIX and SC-CAMLR-XXIX, which require translation, is 10 September 2010. Members' attention is drawn to the requirements set out in the *Submission of Papers to Meetings of the Commission and the Scientific Committee*. To avoid undue cost and delay of translation, Members are reminded that the substance of any paper should be included in the main text. Only the main text will be translated; no appendices or attachments. Translation of Working Papers received after the abovementioned deadline, will be possible only to the extent that the length of the paper and the date of submission permit.

The deadline for submission of Background Papers, which do not require translation, is 25 September 2010.

Members are requested to submit Working Papers and Background Papers by email to webmaster@ccamlr.org as a Word document and as a pdf. This will assist Secretariat staff in streamlining the process of making the papers available to Members.

In order to assist the translation process, when sending any communications to the Secretariat by fax, Members are also requested to submit the document(s) in Word format by email to ccamlr@ccamlr.org.
